## **Supply Chain Associate**

Shippers Solutions, a family-owned business, marked its 70th year in business in 2022. We continue our quest to solve persistent Supply Chain problems, Making Heroes along the way. Offering packaging supplies, equipment, 3PL and AI inventory management we can help with our customer's most challenging issues.

### **Our Core Values:**

- Do Right
- Own It
- Embrace Change
- Win as One Team
- Strive to Simplify

### **As the Supply Chain Associate, you will thrive if you work every day to:**

- Analyze graphs and reports to identify trends and provide insights.
- Collaborate with team members to solve problems and improve processes.
- Adapt to changing situations and provide solutions in a fast-paced environment.
- Assist with various tasks and projects as needed to support the supply chain team.

### **You will be successful if you:**

- Have a passion to serve and keep the customer at the core of everything we do.
- Proactively solve problems and contribute to a positive team environment.
- Value clear processes and attention to detail.

### **Everyone on our team helps with our success. In this role, you'll be accountable to hit the following metrics each week:**

- Elucidate Exceptions
- Customer Outages
- OTIF
- Responsiveness to team and customer needs
- Contribution to overall team goals
